Welcome to the ***NEW*** Western Berks EMS service area!

You are receiving this letter because after careful consideration of service options, your municipal township leaders have selected Western Berks Emergency Medical Services (WBEMS) to be the new medical transport provider for your community. WBEMS is a community-based non-profit ambulance service, currently providing emergency and non-emergency services to the western area of Berks County, and emergency medical services to many neighboring municipalities, for over 60 years. Our community funded organization is fiscally strong and staffed by highly qualified Paramedics, Emergency Medical Technicians, Dispatchers, and support staff. We are excited to expand our services and new locations to the Amity and Union Township communities!

Western Berks EMS offers you all of the following and more!

- The most state-of-the-art life-saving equipment
- Advanced Life Support and Basic Life Support ambulances
- Non Emergency Wheelchair Transport services for doctor's appointments or any wheelchair travel need
- AED training and loaner program
- Local community events such as: health fairs, medical services for high school sports, car seat safety checks, and National Night Out

***In addition we offer affordable membership programs that will \$ave you and your family costly out-of-pocket expenses! Contact us for details on how to join or donate.***
