

FREE TIRE COLLECTION

The Berks County Conservation District's Mosquito-Borne Disease Control Program will be holding a free tire collection April 6th from 8am-3pm.

Appointments are required

To make an appointment, send an email with your preferred appointment time to info@berkscd.com

Please ensure all tires have rims removed prior to drop-off and are free of debris and water.

Tractor, farm or heavy-duty tires will **NOT** be accepted at this collection. If funding is available, a fall collection will be held specifically for tractor, farm or heavy-duty tires.

The collection will be held at
Allegheny Towing and Salvage Company
(Details will be provided when you receive an appointment confirmation)
