Announcements

- We are aware that a number of intersection curbs throughout the Borough are in need of repainting. Beginning June 24 and continuing for approximately four to six weeks, the Public Works Department will be operating with a reduced workforce. Until that time, the department will focus on projects that require a three-person team. Once staffing is reduced, we will shift our attention to projects that can be completed with a two-person crew, including curb repainting and other maintenance tasks.
- A Zoning Hearing is scheduled for Wednesday, June 24, at 6:00 PM for consideration of a variance application submitted by First Street Storage, LLC, located at 331 West 1st Street.
